

Our collective narrative

Basically, what we like, who we are and where we are heading.

There are times for engagement, and for inspiration,
There are times for opportunities, and for sharing.
All of them are powerful.

Across the globe, all year round, our seminal events unite and mirror us.
They unite us as professionals worldwide whose work and passion create a wine and spirits industry abuzz with life. They mirror us because they stimulate our natural conviviality and facilitate opportunities.

Over the past few decades, our industry has reinvented itself to an incredible degree, becoming more international, more varied and more innovative too. The world of wine is dynamic and at Vinexposium we echo that dynamic spirit.
Activating new markets to be explored,
Designing new meeting formats to implement,
Seizing opportunities and making a pledge to respond to the challenges of tomorrow.

We create and embrace these powerful, varied, innovative and relevant opportunities.
We are not just by your side.
We are your ally, offering you support and ambition.
Like many of you, we 'congregate' to promote the global wine and spirits industry.

We are Vinexposium!
Vinexposium, creating momentum
