The screenshot displays the 'New article' form within the Vinexposium digital France profile. On the left, a navigation menu includes 'PROFILE INFO', 'Edit Profile', 'Video and content', 'Team Members', 'Products', 'Press News', and 'Settings'. A 'PROFILE COMPLETENESS 71%' badge is visible. The main form area is titled 'New article' and contains several sections: 'Main picture' with a large dashed box for image upload (supported formats: PNG, JPG, JPEG, Aspect Ratio 1:1.7); 'Article header image' with a smaller dashed box (supported formats: PNG, JPG, JPEG, Aspect Ratio 1:5); 'Main information' with fields for 'News Title *', 'Publication Date *' (set to 2025-04-17), 'Categories', and 'Article tag'; 'Short description *' with a text area (0/200 characters); and 'Author information' with a field for 'Authors Name *'. At the bottom, there is an 'Article' rich text editor with a toolbar and a placeholder text 'Please write some description'.

 You can also drop off **printed copies** of your press documents at the **Lounge** during the exhibition

4 PROMOTE YOUR EVENTS

If you are organising events during the exhibition – such as tastings, briefings, or product launches – you can inform the Press Office so we can share the information with the media.
