If you no longer remember your password, click on '**Forgot password?**'. You will receive an email with a link to create a new one.

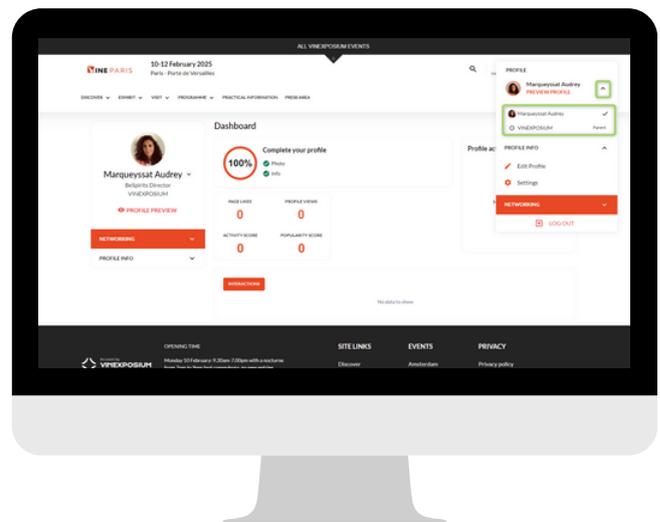

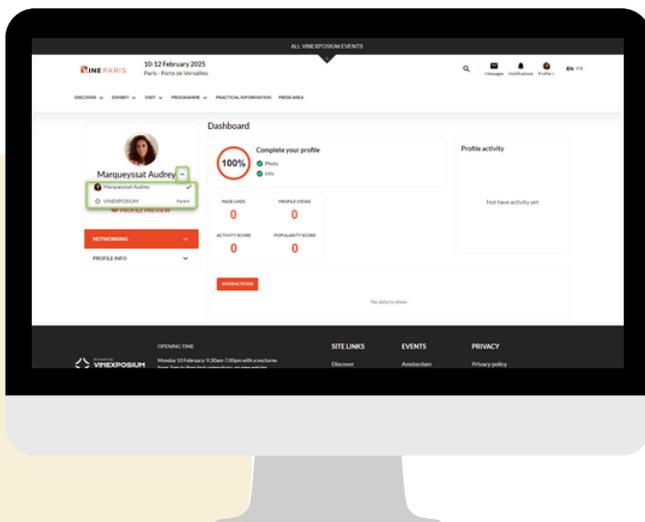

SWITCH BETWEEN PROFILES :

You can now access your exhibitor area and your 'team member' account using the same login details.

When you log on to the event website, you are connected directly to the 'team member' account created automatically when you registered, then you can switch directly to your company profile.

You can now switch from your team member account to your company account in two ways:

- Click on the arrow next to your name in the **left-hand menu** or click on the arrow next to your name in the **top-right-hand menu**.

You will see your account and the parent account (company account) to which you are attached. You can easily switch from one account to the other by clicking on it.
